New Live Sessions and FREE Oracle Learning Explorer paths can be found easily on the home page.

A robust listing of live events makes it easy for learners to leverage hot topics.

# Cloud Learning Subscriptions Deliver Even More Ways to Learn

## FREE BASIC TRAINING

### Free Training on SaaS, PaaS, OCI, Database and Java

Leverage free training to get started on your cloud learning journey. You will gain valuable insight to help expand your knowledge of Oracle Cloud.

Once you've completed the Free training you can continue your journey with in-depth training on a variety of related topics and earn your certification.

### Become An Oracle Learning Explorer

Earn up to 50+ Explorer Basic Badges by following carefully curated learning paths and passing an assessment to earn your badge!

Each Oracle Learning Explorer badge is tied to 2-3 hours of content organized by real world job roles.

## ATTEND LIVE SESSIONS

Join our experts for **new live sessions** as they present **trending topics, best practices, how-to tutorials, and exam preparation tips**. Enroll in hour-long live sessions.

Also, join instructors for **live instructor coaching sessions**. These sessions will feature key topic areas and will enable you to ask questions and hear from others about a particular topic.

## NEW 2020 CERTIFICATION EXAMS

Being certified on the latest release of Oracle's technology allows you to showcase your expertise and professional credibility that align to the latest changes and new features of Oracle's products.

**All 60+ of our certification exams have been updated to the latest 2020 release of the products.**

## CERTIFICATION EXAM PREPARATION COURSES

**Available for all 60+ cloud exams.** Prepare for your Certification exam by reviewing exam objectives and sample questions presented by Oracle University instructors.

## ENHANCED TRAINING ADMINISTRATOR PORTAL

With the new enhancements to the Training Administrator Portal (TAP) you can **track certified learners, engage new learners, and identify employees who may need help activating or getting started** in their learning journey.
