

## **Leading High Performing Teams**

### **What is the aim of this course?**

This interactive and insightful one-day training module will enable leaders at all levels to create the right culture for trust to flourish and for team members to challenge the leaders and each other in a positive manner.

### **What will I learn?**

Leaders will learn how to get the most from each individual member of their teams and to behave more strategically rather than being absorbed by the “technical” aspects of their job. We will challenge leaders on their ability to create the most effective followership behaviours and psychologically safe environment to help drive performance.

By the end of the training, you will be able to:

- Explore how leadership is key to enabling High Performing Teams
- Distinguish the characteristics of High Performing Teams
- Recognise the importance of shared purpose and communication
- Identify your approach to leading others (inclusive leadership)
- Recognise the importance of vulnerability, trust and psychological safety in teams

### **Is it for me?**

This course will benefit leaders at all levels to accelerate their leadership impact and lead themselves and others to sustained success.
